

# WELCOME TO PORTUGAL!

Our beaches, our pools, our restaurants, cafes, hotels and staff are delighted to receive your visit!

As you know, COVID pandemic has not ended. Therefore, in Portugal's continental territory there are different rules in some municipalities (please go to <https://covid19estamoson.gov.pt/> to see which rules apply to the municipality you are visiting).

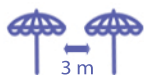

In the majority of the territory (Level 1), it is mandatory to:

- Use mask upon entry and exit from beaches, while walk on boardwalks, and to access restaurants or WCs

- Comply with social distancing of 1,5m

- Parasols must distance 3 meters

- Sports involving 2 or more people are forbidden if the beach is full
